

CAROLINA REGION PONY CLUB
SUMMER CAMP 2018
FENCE Equestrian Center, Tryon, NC
June 23-26, 2028

Hello Campers and Parents,

We are looking forward to Carolina Region Camp with riding and fun activities at FENCE located in Tryon, NC. **Camp will run from Saturday, June 23 through Tuesday, June 26. Certification testing will be held on Wednesday, June 27.** Instruction for riding will be provided by a great group of National Examiners, professional instructors and upper level Pony Clubbers. Campers and chaperones may stay in the great room of the Lodge at FENCE, camp with camper hook up, or choose a local hotel or Airbnb.

Pony Club Camp is one of the most memorable experiences for our members. It is a great opportunity to develop pony club friendships, have fun with your horse and learn from great pony club instructors. We invite parents to join us as volunteers, chaperones, horsemasters, and activity leaders. Camp activities may include: riding lessons in dressage, grids, stadium jumping, cross country, trail ride, mounted games, and quadrille. Unmounted activities include crafts, movies, camp games, camp songs, campfire, scavenger hunt, and pony painting! **Upper Level certification prep track is proposed - if interest warrants, participants will have specific lessons each day to develop skills for certification.** Although there will not be a Champs track, if you are planning to compete at Championships note that on the registration form. This will be helpful to know when determining riding groups.

This camp cannot function without parental support. We ask that all parents spend time volunteering at camp.

CHAPERONES: Campers under age 18 must have a designated chaperone for the entire camp period. Campers age 16-17 need a designated chaperone (just as for rallies) and may only drive as permitted by NC/SC law. Campers on restricted licenses must observe night time and multi-passenger restrictions. Campers age 12-15 must have an onsite chaperone for the duration of camp with no more than 6 campers to a chaperone. Campers age 10-11 should have on site chaperone with no more than 4 campers to a chaperone. Campers under age 10 should have a parent at camp with them with no more than 2 young campers per parent. Indicate chaperone arrangements on application form.
